

JOB TITLE: Construction CNG Field Technician
FLSA: NON-EXEMPT
DATE: April 16, 2018
DIVISION: CGRS: Construction
REPORTS TO: Project Foreman

POSITION SUMMARY:

We are searching for a natural gas field technician to be part of our growing CNG business segment. This technician will be part of our CNG team that is responsible for service, repair and troubleshooting of natural gas compressors and associated equipment in the field. Our CNG team also builds, upgrades, tests and commissions CNG fueling sites, often as part of our in-house design-build team.

Responsibilities:

- Work with the project manager in construction and maintenance of natural gas and CNG equipment and associated control systems
- Troubleshoot, test, repair and service technical equipment
- Produce timely and detailed service reports and field documentation
- Professionally represents CGRS to clients and staff verbally and in writing
- Build positive relationships with customers
- Understand customer requirements and make appropriate recommendations
- Follows strict safety protocols
- High mechanical aptitude necessary with experience in diagnosing compressor failures efficiently
- On-Call rotation required (additional pay for on-call status)

Job Requirements:

- Proven field service experience
- Strong mechanical ability
- Controls and wiring troubleshooting a plus
- Clean driving record
- Excellent communication skills
- Experience with industrial equipment a plus

Any combination of education and experience that would provide the required skill and knowledge for successful performance would be qualifying. Typical qualifications would be equivalent to:

EDUCATION: High School diploma required.

EXPERIENCE: Prefer 3 or more years of experience in a related position based on education and skill sets.

SKILLS: Must be very organized and willing to work independently. Be professional and have good people skills. Attention to detail required. Must be willing to manage an ever-changing workload; patience and flexibility are important. Willingness to participate in on-going continuing education through on-site workshops and seminars a must. Working with your co-workers to carry out policies and goals of CGRS is required.

SUPERVISORY RESPONSIBILITIES: None

TYPICAL PHYSICAL DEMANDS: Must have a valid Colorado Driver's license and good driving record. Position requires regular vision and normal range of hearing. Employee must be able to lift 60-100 lbs. Able to climb, bend, stoop, kneel and stand for various periods. Must have manual dexterity sufficient to operate a computer keyboard. Position involves driving, standing, bending, and heavy lifting a high percentage of the time.

WORKING CONDITIONS: Work outside in a variety of conditions. Must be willing to carry out company goals and policies. Requires good MVR, background check, physical and drug test. Able to work without direct supervision & travel extensively.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
